

## 1.0 Home

Our products and services offer a lot more than you could think of. From printing different kinds of materials and papers, bindings and stitching and even more. Here at Vitaly Tea, we offer all that, plus a cozy nook where you can sit, relax, and wait for your printing job to be finished. And do not forget to grab our delicious mouthwatering drinks too.

## 2.0 Services

Our services include digital printing, binding, laminating, and cutting. All the regular services you can find in a serious printing shop.

### 2.1 Digital Printing

#### 2.1.1 Paper Stock

- Glossy ( Add details here)
- Matte ( Add details here)
- Textured ( Add details here)

#### 2.1.2 Ink

Another important element of printing is ink. We will guarantee that our ink does not run, smear, blotch. It also does not stick to other printed pages unlike the result in other digital printing presses.
